The HPL Difference.

D E S I G N

Inspired by nature, our unique and versatile designs are crafted to provide homeowners the choices and combinations to create most any style. Any look. And always an extraordinary result. Wilsonart® High Pressure Laminate comes in a wide variety of beautiful, high-end designs that offer creative flexibility through wide color choices and enhanced finishes.

C O N S I S T E N C Y

Another advantage of engineered surfaces is that you know exactly what you'll get, each and every time. No matter the design and complexity, Wilsonart® HPL provides exceptional choices that not only work in concert, but they will always match, providing consistent aesthetics.

S I M P L I C I T Y

We make crafting a home with Wilsonart simple. Easy to order. Simple to install. And, since Wilsonart® HPL has short lead times and low-to-no minimums, delivery is always on time and on budget. Keeping your project moving in one direction: forward.

P E R F O R M A N C E

Our engineered surfaces are made for everyday life. Reliably durable. Scratch-resistant. Stain- and wear-resistant. They are a favorite choice among architects, designers, fabricators, and consumers. Plus, Wilsonart® HD® and Premium Laminates feature AEON™ Enhanced Scratch & Scuff-Resistant Performance Technology, outperforming competitive laminates with similar finishes by a factor of up to 3-5x the industry standard wear resistance and improved scratch, scuff and mar performance. All for surfaces that look newer and perform better, longer.

B E T T E R T H A N W O O D

Wood HPL outperforms normal wood countertops. Stands up to everyday elements. Retains its authentic look and feel. Requires minimal care and maintenance that's easy to wipe clean and disinfect. Consistently beautiful, our wood collection is made to bring your vision to life beautifully, durably, and sustainably.

S T A I N A N D S C R A T C H

Live and move in your space without worry. Wood HPL eliminates the constant threat that stains and scratches pose to normal wood. Stain and scratch resistance is built in, so spills and other mishaps are no match for this surface. With Wood HPL, you're always prepared for the unpredictable.

F A W N C Y P R E S S 8 2 0 8 K - 1 6

Fawn Cypress has a balanced mix of straight grain with full and partial cathedrals in shades of brown and light gold. Adds a touch of natural contrast and softness to any space.

WOOD COLLECTION

Inspired spaces. Right at home.

Wilsonart® High Pressure Laminate (HPL) countertops are crafted to give you the best of all worlds. Design. Performance. Consistency. Simplicity. When a home is created with the imagination of Wilsonart® Home, it becomes equal parts beautiful, practical, and extraordinary. It's a space of your dreams, made for the real world.

SUGAR PINE Y0695K-16

ANTIQU E MARULA PINE 8216K-28

Antique Marula Pine is a wood design with various sized planks. A cool color with elements of warm honey, sophisticated greys, and taupes, it inspires a hand-crafted, rustic feel.

WOOD COLLECTION

Nature provides inspiration. We create perfection.

With a look and texture that feels authentic, our Wood Collection encompasses all that nature provides, with the durability and life-resistance that our engineered surfaces provide. All created in a sustainable, simple, and consistent fashion.

TRUSS MAPLE 7972K-12

S T I C K L E Y O A K 1 7 0 0 3 K - 5 7

Stickley Oak is a deep coffee color oak design reinforced by an authentic embossed and aligned texture, reminiscent of the Prairie style. It borrows from serene natural environments to inspire calm, balanced design.

WOOD COLLECTION

Designed for life. Beautifully durable.

HPL provides beauty with performance to stand up to everyday use: cooking, spilling, eating, working, and playing. With constantly changing styles, our Wood Collection remains classic, offering a wide variety of tones and textures to match any aesthetic and transform kitchen countertops, island countertops, open wood shelving, and vanity tops.

ANTIQUE BOURBON PINE 8215K-12

PLANKED WOODS

Planked Woods are comprised of “pieces” of wood planks that can run the full length of the sheet, or be cut into smaller lengths and “blocked” throughout the sheet. Varied sizes of planking and blocking may be found in this collection, ranging from casual to modern styles.

DISTRESSED / ARTISAN WOODS

Distressed/Artisan Woods have time-worn or weathered features due to the wood's exposure to the earth's elements. Artisan Woods are the result of varied finishing processes that create special colors or effects on the woodgrain, and can include antiquing, cerusing, or staining in a crafted manner.

EXOTIC WOODS

Exotic Woods are wood species that have a special or unique characteristic due to their origin, climate, and limited availability. All Exotic concepts are safely harvested and used in a sustainable manner.

ALIGNED OAK WOODS

Aligned Oak Woods combine texture that follows, or aligns to, the printed woodgrain décor, creating a more realistic wood look.
